### Lunch Time Supervisor Needed

If anyone is interested in supporting our school as a lunchtime supervisor, please ask for an application form from the school office. Please return your completed application form to Mr Robinson.

Again children have still been arriving as early as 8.10am at school and have been waiting outside the school gates unsupervised. This is not a safe situation for your children and is far too long to be waiting unsupervised, especially when school adults are not on duty outside until 8.30am. Breakfast club opens at **8.30am**.

Please can Parents, Carers and Relatives NOT use their mobile telephones when in the school building. Please can we ask that mobile telephones are either switched off or on silent mode and left in your pocket or handbag.

Arts and Craft After School Club led by Mrs Wearing, made a Chinese Dragon to celebrate Chinese New Year on 5<sup>th</sup> February, 2019 which was showcased in assembly. Thank you to Mrs Wearing who put in an extraordinary amount of effort into this and to all the children who contributed.

### E- Safety

We have had several reports of inappropriate emails between children out of school hours on Playstation Consoles. We would very much appreciate if all Parents and Carers monitor their child's usage on these social platforms. We would like to thank you for your continuous support in these areas.

## Road Safety

In view of this week's terrible road accident involving a child on Meir Road, please can we be mindful to remind our children on how to cross roads safely, finding a safe place to cross and always using the Green Cross Code. It is important to know ways your child can be independent while staying safe on the roads. Please look at the following website for further information to discuss with your child.
