Can we also remind you about jewellery- looped earrings are not to be worn as they are not safe, only stud earrings are allowed to be worn. ALL earrings must be removed for PE lessons. If children are not able to remove their own earrings, it is a good idea to leave earrings out on PE days.

## Free School Meals

We have had lots of successful applications for Free School Meals. Apply for Free School Meals if you maybe eligible directly on [www.cloudforedu.org.uk/ofsm/sims](http://www.cloudforedu.org.uk/ofsm/sims)

On 15th June, Year 4 children gained their Bikeability Level 1 Award and were taught about road safety. Bikeability will return again in July 2018 for the remaining children who missed this session.

## Attendance

At Alexandra Junior School we are working hard to improve school attendance. We are committed to making sure that every child reaches their full potential and that is why it is essential for your child to have outstanding attendance throughout the school year. We believe that every school day does count. We would like to congratulate all of our pupils, parents and carers for their efforts to ensure that they attend school every day, where possible. We have seen a pleasing improvement in our overall attendance figures and wish for this to continue.

***Attending school regularly plays a vital part in successful learning.***

## Punctuality

As well as attending school every day, we also believe in the importance of attending on time. Being punctual is an important aspect of life and therefore it is vital to ensure that all of our children arrive at school on time.

We understand that emergencies arise. We also understand that traffic can be challenging or hectic, but expect all children to be collected on time at 3.15pm. If a parent or authorized adult will be late, it is their responsibility to notify the school before 3.00pm to make it possible to communicate with the class teacher before the end of the school day.

We ask parents to telephone Mrs Leigh in the School Office on 01782 235377 to report a pupil absence as early as possible on the day of the pupil's absence providing a brief description of their illness. Timekeeping is also important in the education of your child. If your child is persistently late then they are missing out on important start of the lesson. We work closely with our Educational Social Welfare Officer to monitor each child's punctuality. Parents who persistently bring their children late to school may be issued penalty notices. Pupil's whose attendance is below target, parents will be asked in for a meeting to discuss ways in which to improve attendance.

The children were rewarded on Monday, 18<sup>th</sup> June 2018 with an inflatable assault course for the day for their continued hard work.
